

Professional Accounting Services for Hobby or Boarding Kennels

I have operated a full service accounting business for the past 23 years and prior to that, I worked for 12 years in Public Accounting as a Public School Auditor and supervisor of all the New Mexico Public School Auditors. I have performed accounting and tax services for local kennels and veterinary clinics in the past, but now, with the increased modes of communication available today, I can offer my services to kennels throughout the United States. I use software specific to hobby and boarding kennels, and have run my own kennel as a business for over 20 years. I am very aware of how costly it can be to maintain a breeding program and campaign dogs on the show circuit, so I keep a close watch on tax laws which may have an impact on kennels being run as businesses. I strive to set up and maintain each business in such a way as to take the most advantage of current tax law.

If you would like to contact me regarding accounting or tax services, you can email lotalabs@msn.com or you can call Robertson Accounting at 505-891-4282. References will be provided upon request.
